Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the United States Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application which are or may be material to patentability of any claim of the application, Applicants hereby direct the Examiner's attention to references **C69** and **C70** listed on the accompanying List of References Cited by Applicant.

Enclosures accompanying this Information Disclosure Statement are the following:

1. A List of References Cited by Applicant listing References **C69** and **C70**; and

The undersigned notes that Applicants have already made Documents D1 and D3-D5 cited in the EPO Notice of record in the subject application. The following chart correlates the reference numbers for documents D1 and D3-D5 cited in the EPO Notice with the

corresponding reference numbers of the documents already made of record in the subject application.

Applicants respectfully request that the Examiner review the listed references and that the references be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(c), since this Supplemental Information Disclosure Statement is being filed after the mailing date of a first Office Action on the merits, but before the mailing date of a final action under 37 C.F.R. § 1.311 or an action that otherwise closes prosecution in this application, it is estimated that a fee of **\$180.00** as set forth in 37 C.F.R. § 1.17(p) is due for this submission.
